Thanks Julia. I forwarded your email to our NEPA office. They are aware of it.

Subject: June 5th deadline for new information relating to Rosemont

Although this was filed by EPA, it occurred to me that you may not know that separate from the announcement on Monday that the Forest Service intends to issue the ROD, on the preceding Friday the Forest Service opened the administrative record for the Rosemont EIS. <https://www.gpo.gov/fdsys/pkg/FR-2017-05-05/pdf/2017-09165.pdf>

My understanding is that for any new information for consideration, the deadline is 6/5 with the Mindy Vogel at the Coronado.
